PATRICK SULLIVAN

patrick.sullivan@psullivan6.com | psullivan6.com | (775) 772 - 8817 | Oregon, USA

Experienced and driven software engineering lead devoted to exploring the great outdoors and focused on building and improving processes, products, and teams.

PROFESSIONAL EXPERIENCE

Lowe's

Lead Software Engineer   `Feb. 2022 - Present`

- Serve as product & project manager – strategizing, planning, and leading a cross-disciplinary team to deliver product and customer service excellence, business objective compliance, and leadership reporting
- Build and maintain an enterprise design system (React component library, docs, plugins), increasing efficiency and enforcing brand and UI/UX standards compliance across 250+ apps
- Create and deliver several key initiatives by developing partnerships across organizations and disciplines

Sr. Software Engineer   `Jun. 2021 - Feb. 2022`
Software Engineer   `Jun. 2020 - Jun. 2021`

- Established and implemented an org-level micro-frontend architecture to enhance long-term scalability and improve developer onboarding, defect resolution time, and feature release cycles
- Built and maintained consumer-facing web applications processing $100K+ per month in revenue
- Ensured product stability and seamless releases by evolving and managing DevOps processes: CI/CD, vulnerability, defect and risk mitigation, production readiness & release strategizing, and on-call handling

Union

Tech Lead   `Oct. 2018 - May 2020`
Sr. Front-End Developer   `Jul. 2016 - Oct. 2018`

- Directed a front-end team of 6 developers to create highly interactive, three.js-based web experiences, increasing consumer engagement and repeat visit rate
- Collaborated with clients, agency partners, and internal stakeholders to exceed deliverable expectations

Struck

Front-End Developer   `Sep. 2013 - Jul. 2016`

- Developed corporate and promotional interactive digital experiences for various clients to improve brand loyalty, engagement, and legal compliance

The Register-Guard | PAC-10/12 | Holden Leadership Center

Web Designer | Freelance Designer   `Jan. 2010 - Nov. 2013`

- Website design and development | Pac-10/12 logo designs | digital advertising design and management

EDUCATION

University of Oregon (Go Ducks) - Bachelor of Science - Digital Arts   `June 2010`
Dean's List
